LB 664, 664A, 980A
LR 293

this time, I would like to see the bill advanced. And, hopefully, perhaps I can do something with the remains.

SENATOR CHAMBERS: Thank you. That is what I was hoping you'd say, because I want to see this bill move, because, as long as it is alive, as long as there is breath in that bill, Senator Schmit, and breath in my body and breath in your body, there is no way to determine that the war is lost simply because, due to its being Miller time today, we suffered a temporary setback. So I'm going to support the movement of the bill, and I hope enough of you will vote to advance it. But I'll let you know that the war is not over at this point.

SPEAKER BARRETT: Thank you. Senator Schmit has waived closing. The question is then the advancement of LB 664 to E & R Initial. Those in favor of that motion please vote aye, opposed nay. Have you all voted? Please record.

CLERK: 38 ayes, 0 nays, Mr. President, on the advancement of LB 664.

SPEAKER BARRETT: LB 664 is advanced. There is an A bill, Senator Schmit. Senator Schmit. (LB 664A.)

SENATOR SCHMIT: I move we advance it.

SPEAKER BARRETT: We have a motion to advance the A bill. If there is no discussion, the question is the advancement of 664A. All in favor vote aye, opposed nay. Record, please.

CLERK: 29 ayes, 0 nays, Mr. President, on the advancement of 664A.

SPEAKER BARRETT: The A bill is advanced. And the Chair is pleased to announce that Senator Schmit does have a guest under the north balcony, Leslie Strong from Genoa. Leslie, would you stand up, please. Thank you, we are glad to have you with us. Anything for the record, Mr. Clerk?
